How the world worshipped this week: sharing your online services

<https://www.musicademy.com/online-church/>

Online Church: How the world worshipped With Covid-19 forcing much of the world into lockdown, churches have responded by diving into online services. Whether using Zoom, Facebook Live, YouTube or more complex set ups such as OBS, tech, pastoral and worship teams have found themselves in a steep learning curve in recent weeks. This article [...]Please visit Musicademy for the full article.The post How the world worshipped this week: sharing your online services appeared first on Musicademy.
