Appeals Court: States Have an 'Interest in Protecting Children' from Transgender Drugs

<https://www.christianheadlines.com/contributors/michael-foust/appeals-court-states-have-an-interest-in-protecting-children-from-transgender-drugs.html>

A federal appeals court this week delivered a major victory to opponents of transgender procedures for children, green-lighting an Alabama law that prohibits minors from receiving puberty blockers, cross-sex hormone treatments and trans surgeries.
