### 60 years since MLK's 'I have a dream speech': Good and bad changes since

<https://www.christianpost.com/voices/60-years-since-mlks-i-have-a-dream-speech-what-has-changed.html>

For me, someone raised in the segregated South, having attended segregated schools, a segregated church, and living in a segregated neighborhood, his sermon to America was a clarion call to commitment and action in support of a cause that was demanded both by our founding documents and, more importantly, by the Gospel proclaimed in the New Testament.
