Cancel Culture using the pseudo-ailment, Eco-anxiety, to cure the non-existence of Manmade Global Warming/Climate Change  
<https://americanpolicy.org/2023/09/25/cancel-culture-using-the-pseudo-ailment-eco-anxiety-to-cure-the-non-existence-of-manmade-global-warming-climate-change/>

In 1972, at the First Earth Summit in Stockholm, the issue of climate change was raised for the first time on the world stage, âœwarning governments to be mindful of activities that could lead to climate change and evaluate the likelihood and magnitude of climatic...
