The Ark Landing, the Migration, and the Early Settling of Noah's Sons. Part 1: The Beginning and the Sons of Shem

<https://answersresearchjournal.org/archaeology/ark-landing-migration-early-settling-noahs-sons-part-1/>

As a result of archaeological research, the landing of the sons of Noah and their early movements are able to be followed. It will be argued that biblical history makes sense of the findings.
