"Thou shalt arise and have mercy upon Zion, for the time to favor her, yea, the set time is come. For Thy servants take pleasure in her stones and favor the dust thereof. So the heathen shall fear the name of the Lord and all of the kings of the earth Thy glory. When the Lord shall build up Zion, He shall appear in His glory." Psalm 102:13-16 People sometimes ask me, "Pastor, why do you keep going back to the land of Israel?" Because I love the land and I love her people. They are God's chosen people, a people of destiny. I go to Israel for two reasons. One, I love her past. I love to look back and see the land where my Savior lived and walked and talked. I love to study the Bible on location. It causes the Bible to burst aflame in your hands. Two, I want help in understanding the present and the future, because there is Bible prophecy yet to be fulfilled. Keep your eyes on Zion, God's holy land. As the Jew goes, so goes the world. The Jews are God's yardstick, God's outline, God's blueprint, for what He's up to in the rest of the world. The land of Israel, I believe, is the most important spot on earth. The most important city is not Washington or Moscow, but Jerusalem. The most important land, believe it or not, is not America but tiny Israel, about the size of New Jersey. Photo courtesy: ©GettyImages/silverjohn
