An Urgent Prayer for the People of Maine

<https://www.christianheadlines.com/columnists/guest-commentary/a-prayer-for-the-people-of-maine.html>

Today, if you have the blessing of hugging your husband, wife, child/children, mother, father, siblings, grandparents, other family members, or friends today, hold them tight, remembering the lives that were lost without goodbyes in Lewiston, Maine last night. Continue to pray alongside us as we learn more ways to pray over this tragedy.
