Retributive theology opened the door to growth of the prosperity gospel today

<https://baptistnews.com/article/retributive-theology-opened-the-door-to-growth-of-the-prosperity-gospel-today/>

Is it any wonder that the two most influential definitions of the “good news” in a Western society built on capitalism and retribution would be about people getting paid or being punished? In conservative evangelicalism, we see a heavy emphasis...The post [Retributive theology opened the door to growth of the prosperity gospel today](#) appeared first on Baptist News Global.
