Grassroots Activists Are Winning Battles Against Powerful Green Forces

<https://americanpolicy.org/2023/11/03/grassroots-activists-are-winning-battles-against-powerful-green-forces/>

“The global forces are just too big and powerful. There’s no way to stop them. We are locked out of the process. Our elected officials just won’t listen to us!”
This is what I hear every day from activists who truly want to stand up...
