FRC's Statement Regarding Newly Released CDC Abortion Data

<http://www.frc.org/newsroom/frcs-statement-regarding-newly-released-cdc-abortion-data>

WASHINGTON, DC - Today, the Centers for Disease Control and Prevention (CDC) released new data showing abortions increased by five percent between 2020-2021. Family Research Council's Director of the Center for Human Dignity, Mary Szoch, released the following statement in reaction:...
