### Baptists were for separation of church and state before they were against it

<https://baptistnews.com/article/baptists-were-for-separation-of-church-and-state-before-they-were-against-it/>

For a Baptist to oppose separation of church and state feels like disowning one's own mother without cause. What more could Thomas Jefferson have done for Baptists than pen the First Amendment with John Leland, a Baptist preacher, looking over...The post Baptists were for separation of church and state before they were against it appeared first on Baptist News Global.
