### What I learned teaching incarcerated white students about structural racism

<https://baptistnews.com/article/what-i-learned-teaching-incarcerated-white-students-about-structural-racism/>

Note: This is the final in a three-part series by Chris Caldwell about his work in Kentucky prisons. Â The course I taught this summer in two Kentucky prisons was one I created a couple years ago at our HBCU:...The post What I learned teaching incarcerated white students about structural racism appeared first on Baptist News Global.
