Stoicism and spirituality: A philosopher explains how more Americans' search for meaning is turning them toward the classics

<https://baptistnews.com/article/stoicism-and-spirituality-a-philosopher-explains-how-more-americans-search-for-meaning-is-turning-them-toward-the-classics/>

Stoicism may be having a renaissance. For centuries, the ancient philosophy that originated in Greece and spread across the Roman Empire was more or less treated as extinct – with the word “stoic” hanging on as shorthand for someone unemotional.
