In Botswana, a booming economy lures U.S.-educated pastors home

<https://baptistnews.com/article/in-botswana-a-booming-economy-lures-u-s-educated-pastors-home/>

The tiny nation of Botswana “ with 2.6 million people “ is arguably the U.S.'s most reliable diplomatic and military friend in Africa. Now, a booming economy driven by diamond, copper and rare earth minerals is attracting U.S.-educated Baptist, Pentecostal...The post In Botswana, a booming economy lures U.S.-educated pastors home appeared first on Baptist News Global.
