### Exciting Plans For NQC 2024

<https://singingnews.com/news/exciting-plans-for-nqc-2024/>

According to Beasley and the NQC Board, the primary benefit of the center-stage is that the farthest row from the stage is half the distance to the stage as the farthest row in the end-stage configuration. It also offers more premium seats for customers, as well as more aisle seats, which will create a much more intimate setting in the elaborate LeConte Center, home for the annual event.
