Judge rules against World Vision, saying not all employees are 'ministerial' in nature

<https://baptistnews.com/article/judge-rules-against-world-vision-saying-not-all-employees-are-ministerial-in-nature/>

In a case that could have far-reaching implications for faith-based nonprofits, a federal judge in Washington state ruled Nov. 28 that World Vision unlawfully discriminated against a woman in a same-sex marriage when it rescinded her job offer. The judge's...The post Judge rules against World Vision, saying not all employees are 'ministerial' in nature appeared first on Baptist News Global.
