### Every December, some South African churches convert to beer halls

<https://baptistnews.com/article/every-december-some-south-african-churches-convert-to-beer-halls/>

Every December, scores of township churches in South Africa convert into beer pubs, underscoring the underbelly of dire alcohol abuse tearing apart the social fabric of South Africa. Township churches becoming beer taverns just for December is a common phenomenon...The post Every December, some South African churches convert to beer halls appeared first on Baptist News Global.
