Transgenders Face Lifetime of Regret

<https://crev.info/2023/12/transgenders-regret/>

Boys are Boys. Girls are Girls. Drugs and Surgery Will Not Change This Fact. by Jerry Bergman, PhD One of the most profound differences in humans is sexual dimorphism. Sexual dimorphism is where sexes of the same species exhibit very different morphological characteristics in addition to those organs involved in reproduction. It is more important [â€]
