Biases behind transgender athlete bans are deeply rooted

<https://baptistnews.com/article/biases-behind-transgender-athlete-bans-are-deeply-rooted/>

In 2023, 24 states had laws or regulations in place prohibiting transgender students from participating on public school athletic teams consistent with their gender identity. These bans mean that a person whose sex assigned at birth was male but who identifies as...The post Biases behind transgender athlete bans are deeply rooted appeared first on Baptist News Global.
