**Immigration or Invasion? Cancelling the Greatest Culture in the World**

<https://americanpolicy.org/2024/01/16/immigration-or-invasion-cancelling-the-greatest-culture-in-the-world/>

Our country, our lives, and even our civilization are on the brink of destruction. And what are we doing about it? Which problem is so dire? What is the greatest threat to America? Could it be: our Marxist-driven education system? our federal government handing out...
