Toddler Followed a Trail of Bubbles Right to a Missing 82-Year-Old

<https://www.christianheadlines.com/videos/toddler-followed-a-trail-of-bubbles-right-to-a-missing-82-year-old.html>

Nina Lipscomb is an 82-year-old woman with early-stage Alzheimer's Disease who was reported missing by her family. Her son, Thomas Lipscomb, shared that his mother was in town visiting with family, and they had not realized that she had wandered out of her niece's home. After multiple days of searching for Nina authorities and community members, a little boy named Ethan found her!
