OUR WONDERFUL CREATOR, JUST SOME THOUGHTS ... THE “BADGER!”

<http://drmmikebagwell.org/2024/02/23/our-wonderful-creator-just-some-thoughts-the-badger/>

He is a little animal God created way back in Genesis chapter 1. He is a considered a mammal and can weigh as little as 2 pounds but as much as 36 pounds. (Different species!) His long claws are virtually excavation tools. With amazing speed he can “cover himself” in dirt, hiding from a predator! [...]
