China's Population Decline and the Global Fertility Crisis

<https://www.christianheadlines.com/columnists/breakpoint/chinas-population-decline-and-the-global-fertility-crisis.html>

Last year, the population of the nation of China? dropped? by at least two million people. That number is over double the nation's population decline in 2022. For context, this is like the U.S. losing the entire population of the state of Nebraska or the city of Houston, Texas in a single year.?
