Young men more likely than women to say they want to be parents someday, study finds

<https://www.christianpost.com/news/young-men-more-likely-than-women-to-say-they-want-to-be-parents.html>

As young adults are getting married and entering parenthood later in life than their parents' generation did before them, a new Pew Research study finds that among young adults without children, men are more likely than women to say they want to be parents someday.?
