We All Need to Be Hybrid Now

<https://www.christianheadlines.com/columnists/dr-james-emery-white/we-all-need-to-be-hybrid-now.html>

According to the 2024 State of the Church Technology report from Pushpay, 91% of all churches are livestreaming their worship services. 90% are going further and employing a hybrid model of ministry which combines both in-person and virtual elements.
