**50 Percent U.S. Divorce Rate Is a Myth, Christian Researcher Says**

<https://www.christianheadlines.com/contributors/milton-quintanilla/50-percent-us-divorce-rate-is-a-myth-christian-researcher-says.html>

"Seventy-one percent of people are still married to their first spouse," Feldhahn explained, which leaves 29 percent, but "that's not the true story either. Because that includes everybody who was married for 50 years and their spouse died."
