Dr. Brian Williams Could Be the First Black Trauma Surgeon in Congress

<https://www.christianheadlines.com/contributors/maina-mwaura/an-interview-with-dr-brian-williams-black-history-in-the-making.html>

Dr. Brian Williams' entire life changed in the summer of 2016 as a trauma surgeon working in Dallas, Texas. Williams, who has spent his entire life in medicine taking care of people, saw his life take a turn when five Dallas police officers were gunned down that evening on the streets of downtown.
