Luke Smallbone on the Power of Family: It's 'More Important Than it Ever Has Been'

<https://www.christianheadlines.com/contributors/michael-foust/luke-smallbone-on-the-power-of-family-its-more-important-than-it-ever-has-been.html>

Luke Smallbone of For King and Country told ChristianHeadlines he was nearly five when his parents -- David and Helen Smallbone -- traveled from Australia to the United States with big dreams but were forced to chase odd jobs when David's job fell through. Their story is retold in the upcoming movie *Unsung Hero*, which is scheduled to release in theaters on April 26.
