### Parents Shopping Kids on Instagram, Wake Up

<https://www.christianheadlines.com/columnists/dr-james-emery-white/parents-wake-up.html>

A recent article in the New York Times detailed a deeply disturbing phenomenon. Titled “A Marketplace of Girl Influencers Managed by Moms and Stalked by Men,” it ran the following sub-heading: “Seeking social media stardom for their underage daughters, mothers post images of them on Instagram. The accounts draw men sexually attracted to children, and they sometimes pay to see more.”
