Is it True That 'The State of the Union Is Strong'?

<https://www.christianheadlines.com/columnists/denison-forum/is-it-true-that-the-state-of-the-union-in-strong.html>

In tonight's case, some commentators will agree with the president's claim, while others will disagree. Each will try to convince us that their version of reality is our reality. This is because our “post-truth” culture believes that truth is perception. This viewpoint is becoming more dangerous now than at any time in human history.
