The Solar Eclipse: How Churches Are Preparing to Guide Viewers to Spiritual Light

<https://www.christianheadlines.com/contributors/michael-foust/the-solar-eclipse-how-churches-are-preparing-to-guide-viewers-to-spiritual-light.html>

When the US experiences a rare total solar eclipse on April 8 -- the last one in the lower 48 for another 20 years -- churches within that narrow path say they will be ready to point visitors in their cities to the light of Christ.
