### Has Music Been 'Dumbed Down' in the 21st Century?

<https://www.christianheadlines.com/columnists/dr-james-emery-white/has-music-been-dumbed-down-in-the-21st-century.html>

Specifically, there has been a trend across genres toward the "simplification of lyrics and an overuse of choruses." Further, the "vocabulary range has also shrunk and the structure of the songs made more predictable."
