**Confusion in the White House Could Be Enabling Islamic Aggression**

<https://www.christianheadlines.com/columnists/guest-commentary/confusion-in-the-white-house-enabling-islamic-aggression.html>

I feel like there's schizophrenia in the White House that is enabling the Islamic regime to act as aggressively as it is. There's no question in my mind that President Biden does not want an all-out regional war. But I am no less sure that what the Biden Administration is doing makes that more probable.
