### Live from Israel, Where the Threat Is Real (Please Pray)

<https://www.christianheadlines.com/columnists/israel-insights/live-from-israel-where-the-threat-is-real.html>

This morning, while running errands before Shabbat, the threat became real on another level. The cell phone store in the neighborhood shopping center is now selling gas powered generators. We've been talking for weeks about the likelihood that an attack by Hezbollah or Iran could take out the power grid for some time. People are stocking up.
