David Closson Gives Biblical Perspective on Today's Political Environment on Victory News

<http://www.frc.org/frcinthenews/20240425/david-closson-gives-biblical-perspective-on-todays-political-environment-on-victory-news>

David Closson, Director of the Center for Biblical Worldview at FRC, joins Victory News to talk about the battle to protect the unborn, research on the political values/views of parents and their children, the Left's double-standards, and the spiritual/moral cost of gender confusion....
