The Day I Agreed With Iran's Foreign Ministry Spokesman

<https://www.christianheadlines.com/columnists/guest-commentary/the-day-i-agreed-with-irans-foreign-ministry-spokesman.html>

Western countries have propped up the Iranian economy because of their own selfish and naïve interests, and have continued to release billions of dollars to fund the regime, as the Biden Administration did again in November, following a similar release of billions in what Iranians called the #IranHostageDeal.
